## Site Instructions Continued.

6) Work is only permitted between 7am and 6pm unless authorised by Event and/or Venue Management.

7) Please drive only on the sealed surfaces. **DO NOT DRIVE ON THE GRASS or WET AREAS** unless otherwise permitted by Event and/or Venue Management. The cost to remedy any damage caused to CLRC infrastructure, flora and grass will be the responsibility of the person or organisation responsible for causing the damage. Any incident must be reported immediately to Event and/or Venue Management.

8) No person is permitted to tamper with any power or water supply on site. Please ask for assistance from Event and/or Venue Management if power and/or water are required.

9) Children should not be brought into the event site while it is a construction zone.

10) No person is permitted to consume alcohol or any prohibited substance while working on site at event site. If, in the opinion of Event and/or Venue Management, you or members of your organisation are intoxicated, or behaving in a manner deemed inappropriate, Event and/or Venue Management have the right to refuse entry or have the person removed from the site.

11) Deliveries to sites can take place from the first day of your approved set-up. Please direct deliveries and/or couriers to the ARC Site Office.

12) Not all areas are accessible by delivery vans and trucks. If arrangements have been made for the delivery of heavy goods then prior arrangements to confirm access and drop off points must be organised with Event and/or Venue Management.

13) Please observe all Work Health and Safety standards and Worksafe NSW guidelines including, but not limited to;

- a) The use of hi-vis safety apparel, covered footwear and other personal protective equipment
- b) Only operate equipment or machinery if you are authorised and properly trained/licensed to do so
- c) All electrical leads or appliances used on site must be tested with current tagging
- d) Gas cylinders must have a current date stamp, be secured in an upright position and located away from ignition sources in well ventilated areas.
- e) NSW Workcover inspectors may visit the site and can stop work for non compliance.
- f) Due diligence and 'duty of care' requires everyone involved to be committed to carry out their legal duties, assess the risks and hazards within the site on an on-going basis and take all reasonable precautions with respect to those risks to prevent harm.

14) General rubbish bins and recycling bins are provided around the site during the event. It is the responsibility of all those working on site to dispose of all rubbish responsibly or to remove it from the event site and dispose appropriately.

15) During event hours, and until authorised by Event and/or Venue Management, vehicles are strictly prohibited from entering the event site.
